AMM Advisor

ACCOUNTING · TAX · ADVISORY

Clear books. Confident decisions.

Accounting, UAE tax and finance advisory for growing businesses — led by people who have run finance departments, not just filed returns.

WHY AMM ADVISOR

A senior finance team, without the senior payroll.

Senior-led, every time

Every engagement is overseen by a finance leader with 30+ years across UAE businesses.

UAE compliance first

VAT, Corporate Tax and E-Invoicing handled with FTA requirements in mind from day one.

Fluent in your system

Odoo, SAP, Zoho Books, Xero, QuickBooks, Tally — or we help you choose and implement one.

Numbers you can act on

Clean month-end closes, cash-flow visibility and reports built for decisions, not just filing.

WHAT WE DO

One partner for your whole finance function.

Bookkeeping & backlog clearance

Monthly accounts and catch-up of past periods.

Reconciliations & month-end

Bank, GL, intercompany and PDC control.

UAE VAT & Corporate Tax

Registration, returns, health checks, FTA queries.

E-Invoicing readiness

Process, data and system prep for the UAE rollout.

ERP selection & implementation

Odoo, SAP, Zoho, Xero, QuickBooks, Tally.

CFO services & FP&A

Budgets, forecasts, cash-flow and MIS packs.

Treasury & banking

LCs, bank guarantees and facilities.

Payroll & WPS

Monthly payroll, WPS files, gratuity and final settlements.

Also available: PRO services and free zone company formation.

HOW WE WORK

1. **Discover**
   We understand your business, systems and pain points.
2. **Diagnose**
   A health check of books, compliance and controls, with a prioritised fix list.
3. **Deliver**
   We clean up, set up and run the work on an agreed monthly calendar.
4. **Sustain**
   Monthly reporting, quarterly reviews and a partner you can call any day.
